A PARTNERSHIP WITH PURPOSE

Since 2010, the Fond du Lac Family YMCA and the Boys & Girls Club of Fond du Lac have shared more than just a building — we've shared a mission.

Together, we created a vibrant community hub, a space where families, children, and individuals come together to engage in safe, healthy, and meaningful activities.

Over the years, our partnership has grown and evolved, but one thing has remained the same:

Our unwavering commitment to the people of Fond du Lac. We continue to empower youth, support families, and strengthen our entire community through programs that build a healthy spirit, mind, and body.
