Construction Update - What to expect at our Entrance & Welcome Center

As we continue making improvements to our YMCA facility, we want to thank you for your patience, flexibility, and continued support throughout this construction process. We're excited about the progress being made and would like to share a few important updates and expectations for the coming weeks.

Welcome Center Update – Opening May 12

Phase 1 of our construction project is in the process of being mostly completed in preparation for the opening of our new Welcome Center desk, currently scheduled for Tuesday, May 12.

As members enter the facility and access the building at our new Welcome Center, you will notice temporary stanchions and signage indicating ENTER and EXIT pathways. These temporary adjustments will remain in place until our final railings and turnstiles are installed, currently scheduled for mid-June.

We kindly ask all members to:

- Follow posted signage for building entry and exit
- Follow designated pathways to the Welcome Center check-in area
- Use caution when navigating around active construction areas

Ongoing Lobby Construction

While the new Welcome Center desk will be operational, construction activity will continue in portions of the lobby and fireplace lounge areas. Some spaces will remain temporarily inaccessible as final finish work is completed, including:

- Painting
- Tile installation
- Furniture delivery and setup
- Additional finishing details

You will also notice Phase 2 construction barriers being installed as work continues in the administrative office area, completing the renovation of the former Welcome Center space.

Safety Reminder

Please be aware of C.D. Smith construction crews as they begin entering and exiting the building through the south doors. For everyone's safety, we ask families to keep young children close while moving throughout the facility.

LOOKING AHEAD

North Atrium Seating Update (June 8 – August 14)

Beginning June 8 through August 14, the North Atrium will continue to serve a dual purpose on weekdays:

Y member seating space

- Weekdays: 5:00 am – 9:00 am
- Weekdays: 5:00 pm – 9:00 pm
- Weekends: Available during regular YMCA business hours

Entrance and walkway access for the Boys & Girls Club

- Weekdays: 9:00 am – 5:00 pm

We appreciate your flexibility as we continue sharing this space to support both YMCA members and Boys & Girls Club participants throughout the summer months.

Family Gym Closure

As we prepare for the next phase of improvements, we anticipate the Family Gym closing for construction beginning in early July. Additional information, timelines, and program impacts will be communicated as we get closer to that phase.

We understand that construction can create temporary inconveniences, but these improvements are an important investment in the future of our YMCA and the experience we provide to our members and community.

Thank you again for your continued support and understanding. We look forward to sharing more progress with you soon.
