Fall 2025
September 6 – October 11
8:45 AM – 10:15 AM

GENERAL INFORMATION

- A coin toss determines first possession of the game.
- No blocking allowed at any point of the game.
- The offensive team takes possession of the ball at its 5-yard line.
- The offense is given 4 downs to cross midfield (first down marker) and 4 downs to score a touchdown. If the offensive team fails to cross midfield or score a touchdown the ball changes possession and the new offensive team takes over at its 5-yard line.
- An interception can be returned and the ball will be spotted where the ball becomes dead.
- Teams change sides after the first 25 minutes, and possession changes as well.
- Games cannot end on a defensive penalty, unless the offense declines it.
- Only team captains may ask a referee questions in regards to rule clarifications and interpretations.

Attire:

- Cleats are allowed, except for metal spikes. Inspections will be made.
- Team jerseys should be worn for all games.

PLAYERS/TEAMS

- Teams consist of no more than 12 players
- We will play either 5 on 5 or 6 on 6 depending on numbers.
- Teams must field a minimum of six (6) or five (5) players at all times
- If playing 6 on 6 teams; must have 3 players on the line of scrimmage.
 - The center is included as one of the players on the LOS.
- If playing 5 on 5, teams will have only 2 players on the line of scrimmage.

TIMING/OVERTIME

- Games are played as (2) 25-minute halves (running time).
- Each team has one 60 second time-out per half.
- There will be no score kept so overtime will not be necessary.
- Each time the ball is spotted, a team has 30 seconds to snap the ball. Teams will receive one warning before a delay-of-game penalty is enforced.
- Officials can stop the clock at their discretion.

SCORING

NO ACTUAL SCORE WILL BE KEPT.

Touchdown :: After a touchdown is scored, the extra point will be played.

Extra Point :: Played from the 7-yard line (run or pass plays are permitted).

Safety :: If a player gets tackled in the end-zone, the defensive team will take over at their 5-yard line.

RUNNING

- The quarterback (coach) cannot run the ball.
- Only direct handoffs behind the line of scrimmage are permitted. Offense may use multiple handoffs.
- Laterals behind the line of scrimmage are allowed. Note: Ball is dead if fumbled on a lateral.
- "No-running zones", located 5 yards on either side of midfield, are designed to avoid short yardage, power-running situations.
- The player who takes the handoff can throw the ball from behind the line of scrimmage.
- Once the ball has been handed off, all defensive players are eligible to rush.
- Spinning is allowed, but players cannot leave their feet to avoid a defensive player (no diving).
- The ball is spotted where the ball is when the ball carrier's flag is pulled, NOT where the ball lands.

PASSING

- IN this league, the coaches will be the quarterback for their teams. This allows for the kids involved to focus on the other important basics of the game. The coach is able to better "direct traffic" throughout the games.
- Shotgun formations are allowed.
- Shovel passes are allowed but must be received beyond the line of scrimmage.
- The quarterback (coach) has a seven-second pass clock. If the pass is not thrown within the seven seconds (referee discretion), play is dead and loss of down (coaches will be granted one warning for this).
- An interception can be returned and the ball will be spotted where the ball becomes dead.

RECEIVING

- All players are eligible to receive passes.
- One player is allowed in motion at a time.
- A player must have at least one foot inbounds when making a reception.

DEAD BALLS

- The ball must be snapped between the legs to start play.
- Substitutions may be made on any dead ball.
- Play is ruled “dead” when:
 - Ball carrier’s flag is pulled
 - Ball carrier steps out of bounds
 - Touchdown or safety is scored
 - Ball carrier’s knee hits the ground
 - Ball carrier’s flag falls out

NOTE: There are NO fumbles. The ball is spotted where the ball hits the ground.

SPORTSMANSHIP/ROUGHING

- BLOCKING is considered unsportsmanlike and will be penalized. Players are not allowed to intentionally make contact with the opposing team in an effort to “block” them from making a play. This rule is strictly in place for the safety and well-being of the kids playing.
- If the field monitors or referees witness any acts of tackling, elbowing, cheap shots, blocking, or any unsportsmanlike act, the game will be stopped and the player will be ejected. FOUL PLAY WILL NOT BE TOLERATED.
- Trash talking is illegal. Officials have the right to determine offensive language. (Trash talk is talk that may be offensive to officials, opposing players, teams, or spectators) If trash talking occurs, the referee will give one warning. If it continues, the player(s) will be ejected from the game.
