

97th Annual KIWANIS LEARN-TO-SWIM

BE WATER READY

BE SAFE AROUND WATER

From oceans to lakes to streams to swimming pools, water is everywhere: 71% of the Earth’s surface is covered in it! And while water can be an irresistible place for kids to explore, play and enjoy splashy fun, it can be risky for those who haven’t yet developed their water smarts.

Did You Know?

- 9 in 10 parents see swimming as an essential life skill, yet 24% have low confidence in their kids’ ability to stay safe around water.
- Parents and guardians have a critical role to play in teaching their kids water safety skills – but they don’t have to do it alone! With more than 110 years’ experience equipping people with the skills they need to stay safe in and around water, the Y is America’s most trusted swim instructor.
- Each year, the Fond du Lac Family YMCA teaches more than 1,300 life-saving and drowning prevention lessons, including almost 500 lessons during Kiwanis Learn-to-Swim week.

WHAT IS THE Y’s SAFETY AROUND WATER PROGRAM?

This 4-day water safety program offers basic swimming skills that help reduce the risk of drowning while building confidence in and around water. Participants attend all 4 days of the program. Available for ages 4-12. **One session per child. Each session is 30 minutes long.**

DATES: June 10-13, 2024

TIMES AVAILABLE: 8:00 am – 8:00 pm

REGISTRATION: May 7 – June 6, 2024

Register in person at the Y, online at fdlymca.org, or by calling 920.921.3330.
