FOR SOCIAL RESPONSIBILITY

July 27, 2026

Dear Valued Members,

Thank you for being an important part of the Fond du Lac Family YMCA community. Your membership, participation, and feedback help us fulfill our mission of strengthening our community through youth development, healthy living, and social responsibility.

Over the past year, we have carefully reviewed member feedback through surveys, conversations, and daily interactions. We are grateful for the many members who shared both what they value most about the YMCA and where we can continue to improve.

We consistently hear that members value our welcoming staff, quality programs, strong sense of community, and opportunities for individuals and families of all ages to stay active and connected. We also recognize the importance of maintaining a clean, well-maintained facility and providing a positive experience every time you visit.

As we continue investing in our facility, equipment, programs, and staff, the Fond du Lac Family YMCA Board of Directors has approved a modest membership rate adjustment of approximately 2%, effective September 1, 2026.

This adjustment will help us continue to:

- Maintain and improve our facilities
- Replace and upgrade equipment as needed
- Invest in staff training, retention, and development
- Enhance member programs and services
- Provide financial assistance to individuals and families in our community
- Create a welcoming environment where everyone belongs

Recent and Ongoing Improvements

Over the past year, we have continued to invest in our facility and member experience through projects such as:

- Facility lighting upgrades
- Child Care and Child Watch flooring improvements
- Locker room and shower area enhancements
- Capital Campaign construction project focused on safety and member experience

Member feedback continues to guide our planning and improvement efforts. Through initiatives such as our Wellness Center Expansion Survey, members shared valuable input on equipment needs, facility enhancements, and future opportunities that will help shape the YMCA experience for years to come.

In addition, we remain committed to addressing the areas members have identified as most important, including facility cleanliness, equipment reliability, and overall member experience.

Your membership does more than provide access to programs and facilities. It helps support a stronger, healthier community. Together, we are able to serve children, families, seniors, and individuals throughout Fond du Lac County while creating opportunities for everyone to thrive.
