

GIVING IS AS INDIVIDUAL AS YOU.

The determination to make a charitable gift is an expression of cherished values and priorities. The Fond du Lac Family YMCA recognizes that no two donors and no two gifts are alike in their aspirations and motivations.

FOND DU LAC FAMILY YMCA

GIVE WHERE IT IS NEEDED MOST.

The Y has been at the heart of communities for generations. A healthy Y is capable of making a significant impact in the community.

Led by local volunteers, the Y is in touch with our community's changing needs. Donors can direct their gifts to support the overall work of the Y - where funds are needed most, or designate them to support an area of major focus that will remain integral to the Y and our community for many more generations.

Making a planned gift to the Y offers a flexible and simple way to combine PHILANTHROPY with FINANCIAL PLANNING. For generations to come, your long-lasting gift is vital to sustaining our movement.

MAKE A PLANNED GIFT.

Give for today.

These are gifts the Fond du Lac Family YMCA can use immediately in furtherance of its mission, and they are critically important.

Give for the future.

Enjoy making a gift that costs nothing today but will forever support the Y and strengthen our community.

To further the Y's ability to be a positive force in your community can be as simple as including a bequest provision in your will or naming the Y as a beneficiary of your retirement plan, other financial accounts, or life insurance policies.
