

OPPORTUNITY AWAITS

DIRECTOR OF MISSION ADVANCEMENT

Full Time

We are seeking a strategic leader to secure resources and support for philanthropic endeavors to advance the YMCA's mission. This position promotes and positions the YMCA as a "charity of choice" for the investment of donations within our community.

RESPONSIBILITIES:

- Provides internal strategic consulting with expertise on fundraising.
- Vigorously builds and nurtures strategic relationships to enhance support for the Y.
- Makes public appearances/accepts speaking engagements to share information about the Y with the community.
- Strongly collaborates with the Marketing and Communication Department to develop communication plans to ensure members, participants, employees and the community understand the case for support.

REQUIREMENTS:

- Exceptional analytical, relationship-building and interpersonal skills.
- Proven leader in strategic planning, external engagement, and process management. Minimum of 5 years professional fundraising experience and a demonstrated track record of strategy success.
- Proven entrepreneurial spirit with the ability to work in highly flexible, rapidly changing work environment.
- Strong project management skills, analytical skills, creativity and resourcefulness in formulation of approaches to increase Y brand awareness and appreciation.
